

DELL LATITUDE 7200 2-IN-1 KEYBOARD

# Fully featured. Premium design.

## PREMIUM QUALITY

Made of premium aluminum, the Dell Latitude 7200 2-in-1 Keyboard offers sturdy typing on the go. Its magnetic hinge lets you detach or snap easily onto the 7200 2-in-1 detachable for seamless transition, allowing you to work in tablet or laptop mode. Stylish and professional looking, the keyboard matches the Latitude 7200 2-in-1 perfectly.

## COMFORTABLE DESIGN

Full size and well-spaced, the keyboard comes with backlit chiclet style keys that are comfortable to use, and visible in low light conditions. Its adjustable hinge offers the option to type flat or at an elevated angle, allowing you to work comfortably longer.

## FEATURE RICH

A smooth gesture glass Clickpad offers full control of your cursor. The keyboard is spill resistant and magnets on its right hold the Dell Premium Active Pen – PN579X (sold separately) when you are on the move. Lightweight and ultra thin, the Dell Latitude 2-in-1 Keyboard takes up minimal space in your bag and is easy to carry around.
