

DELL 32 CURVED MONITOR | S3222HS

Surround yourself with beauty

An elegant 31.5" curved full HD monitor with stunning 3000:1 contrast ratio, 99% sRGB coverage, built-in speakers and a height-adjustable stand.

A versatile new view

Immersion at its finest: With a 31.5" curved screen, you'll eliminate distractions and be more productive and more entranced with your content than ever before.

A superior screen: Thanks to VA panel technology, you'll experience a 3000:1 contrast ratio that delivers deep blacks and bright white so you can see detail in even the darks or brightest movie scenes. Plus, with 99% sRGB color you can enjoy a viewing experience that's more realistic than ever.

A stunning setup: Bring modern elegance to any space with our stunning new monitor, featuring a subtle textured back with a unique look. Plus, high functionality and superb style make this a dazzling addition to any work desk. More so, with the addition of a wall compatible VESA mount, this monitor is primed to become your home entertainment center.

Fantastic features, modern comfort

Spectacular sound: Built-in dual 5W speakers provide a premium sound that gets you even more immersed in your entertainment.

More ways to multitask: Stay organized between applications, emails and windows on one screen using Dell Easy Arrange.

Perfect ports: Switch seamlessly between streaming and gaming with dual HDMI ports, all while built-in audio automatically follows your source.

Leisure gaming: Smooth, tear-free experience with AMD FreeSync™ technology, featuring up to 75Hz refresh rate.

Easy on the eyes: This TÜV-certified monitor has a flicker-free screen with ComfortView, a feature that reduces harmful blue light emissions. It's designed to help reduce eye fatigue even over extended viewing – like your next movie marathon

For your viewing comfort: You can customize your view by tilting your screen or using the height-adjustable stand.

A brand you can rely on

As the No.1 monitor company worldwide* we take pride in our unyielding commitment to quality and the utmost satisfaction of our customers.

Minimize downtime with Dell's Advanced Exchange Service.²

Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty³ period even if only one bright pixel is found.
